

BHARATBUILD

AI

INDIA'S #1 AI PLATFORM

FOR EDUCATIONAL INSTITUTIONS

# Smart Learning. Real Projects. Bright Futures.

AI-powered platform for complete project generation with IEEE documentation, UML diagrams, reports, presentations & viva preparation.

TRUSTED BY LEADING INSTITUTIONS

10,000+

Projects

100+

Colleges

50,000+

Students

WHO USES BHARATBUILD

## Students

Complete academic projects with documentation

## Developers

Build production apps 10x faster

## Founders

Validate ideas & create MVPs quickly

## Colleges

Manage batches & placement drives

Made in India

# Why Colleges Choose BharatBuild AI

## Current Challenges

- ✗ Poor project quality
- ✗ International tools cost \$200+
- ✗ No UPI payment options
- ✗ Documentation takes weeks
- ✗ No plagiarism detection
- ✗ No faculty dashboard
- ✗ Difficult viva preparation
- ✗ No batch management

## Our Solutions

- + AI generates in minutes
- + Rs.20,000 per project
- + UPI, Razorpay, Net Banking
- + Auto IEEE documentation
- + AI plagiarism detection
- + Real-time faculty dashboard
- + 50+ viva questions included
- + Complete batch management

## Key Benefits

**70-85%**

**Cost Savings**

vs international tools

**5x**

**Faster Delivery**

with AI assistance

**100%**

**IEEE Compliant**

documentation

**24/7**

**Support**

dedicated team

Join 100+ colleges already transforming their academic projects

# Student Mode

Complete Academic Project Automation

## Complete Source Code

Production-ready code in React, Node.js, Python, Java & more frameworks

## IEEE-Format SRS

Auto-generated Software Requirements Specification following IEEE-830

## UML Diagrams

Use Case, Class, Sequence, Activity & ER diagrams auto-generated

## 50+ Page Report

Complete project report with all chapters ready for submission

## PPT Presentation

Professional slides with architecture diagrams & code snippets

## Viva Q&A Prep

50+ potential questions with detailed answers for examination

## Accepted by Leading Colleges Across India

Code + Docs + Diagrams + Report + PPT + Viva = Complete Package

## Supported Technologies

Frontend: [React](#) | [Next.js](#) | [Vue](#) | [Angular](#) | [TypeScript](#) | [HTML/CSS](#) | [Tailwind](#)

Backend: [Node.js](#) | [Python](#) | [Java](#) | [Django](#) | [Flask](#) | [FastAPI](#) | [Spring Boot](#) | [Express.js](#)

Mobile & DB: [React Native](#) | [Flutter](#) | [MongoDB](#) | [PostgreSQL](#) | [MySQL](#) | [Firebase](#)

AI/ML: [TensorFlow](#) | [PyTorch](#) | [OpenAI](#) | [LangChain](#) | [Hugging Face](#) | [Scikit-learn](#) | [Pandas](#)

Cloud & DevOps: [AWS](#) | [Docker](#) | [Kubernetes](#) | [GitHub](#) | [CI/CD](#) | [Vercel](#) | [Netlify](#)

# Campus Drive Module

Complete Placement Management Solution

## Student Registration

Online registration with personal details, academic info, CGPA tracking

## Multi-Category Quiz

Logical, Technical, AI/ML, English, Aptitude & Coding MCQs

## Auto-Save Progress

Quiz saves automatically, students can resume if disconnected

## Instant Results

Real-time scoring with section-wise breakdown & analysis

## Admin Dashboard

Monitor registrations, track progress, export reports to Excel

## Custom Branding

Your college logo, colors & domain for professional look

## Quiz Categories Available

### Logical Reasoning

Pattern & analytical

### Technical MCQs

Core CS concepts

### AI/ML Questions

Modern tech trends

### Coding MCQs

Programming logic

**500+**

Questions

**3**

Difficulty Levels

**Instant**

Results

**Excel**

Export

# Simple Pricing

Transparent project-based pricing for institutions

COLLEGE SPECIAL

# Rs. 20,000

**Per Complete Project**

4 Students per Project Team

**Only Rs. 5,000 per student!**

**70% cheaper than competitors**

## What's Included

**+ Complete Source Code**

Any technology stack

**+ IEEE-Format SRS**

Professional documentation

**+ All UML Diagrams**

5 diagram types

**+ 50+ Page Report**

Ready for submission

**+ PPT Presentation**

Professional slides

**+ Viva Q&A Prep**

50+ questions

## Payment Methods

UPI | Razorpay | Net Banking | Credit/Debit Cards | Bank Transfer

# Advanced Features

Enterprise-grade tools for academic institutions

## Plagiarism Detection

AI-powered checker ensures 100% original code. Generate reports.

## Faculty Dashboard

Real-time monitoring of student progress & performance analytics.

## Batch Management

Organize by batch, department, year. Bulk project assignment.

## White-Label Solution

Custom branding with your college logo, colors & domain.

## LMS Integration

Seamless integration with Moodle, Canvas & other LMS via API.

## Data Security

ISO 27001 compliant. Data encrypted & stored in India.

## Multi-Department

Support for CSE, IT, ECE, Mechanical with domain templates.

## 24/7 Support

Dedicated account manager, phone support & training.

## Why Institutions Trust BharatBuild
