Why Colleges Need BharatBuild

Addressing the real challenges faced by engineering colleges across India

The Current Challenge

✗ Students struggle to complete quality projects on time

✗ International tools like Bolt.new cost $20+/month (too expensive)

✗ No UPI or Indian payment options available

✗ Documentation (SRS, UML) takes weeks to prepare

✗ Manual placement drive management is tedious

✗ High latency from overseas servers

✗ No regional language support

The BharatBuild Solution

✓ Complete projects generated in minutes with AI

✓ Starting at just Rs.99/month for students

✓ UPI, Razorpay & Net Banking supported

✓ Auto-generates IEEE-format SRS, UML & reports

✓ Built-in campus drive & quiz management

✓ Mumbai servers with 3x faster response

✓ Hindi, Tamil, Telugu, Kannada & more

Student Mode - Complete Academic Project Automation

Complete Source Code

AI generates production-ready code for any technology stack - React, Node.js, Python, Java, and more. Works with mini-projects to final year projects.

IEEE-Format Documentation

Auto-generates SRS documents following IEEE-830 standards. Perfect for university submissions and technical reviews.

UML Diagrams

Creates Use Case, Class, Sequence, Activity, and ER diagrams automatically. Export as images for project reports.

50+ Page Project Report

Comprehensive project reports with introduction, literature survey, system design, implementation details, testing & conclusion.

PowerPoint Presentation

Professional PPT slides ready for project presentations. Includes architecture diagrams, code snippets & demo screenshots.

Viva Q&A Preparation

50+ potential viva questions with detailed answers based on your project. Helps students prepare for external examinations.

Comprehensive Platform Features

Everything your institution needs for academic excellence

AI

AI Code Editor (Bolt Mode)

VS Code-like experience with AI assistance. Real-time code generation, live preview, and Docker-based execution.

HoD

Faculty Dashboard

Monitor student progress, track project submissions, view analytics, and manage batches from a single dashboard.

TnP

Campus Drive Management

Complete placement drive solution with registration, multi-category quizzes, auto-scoring & instant results.

Fn

Multi-Framework Support

React, Vue, Angular, Node.js, Python Django/Flask, Java Spring Boot, React Native - all in one platform.

Pl

Plagiarism Detection

Built-in code similarity checker to ensure originality. Generate plagiarism reports for submissions.

Rp

Research Paper Mode

Generate IEEE-format research papers with proper citations, abstract, methodology, and references.

Campus Drive & Placement Module

Streamline your placement process with our comprehensive quiz and assessment platform

Registration

Online Registration

Students register with personal & academic details. Track CGPA, department & year.

Quiz

Multi-Category Quiz

Logical Reasoning, Technical, AI/ML, English, Aptitude & Coding MCQs.

Auto

Auto-Save Progress

Quiz progress saves automatically. Students can resume if disconnected.

Result

Instant Results

Real-time scoring with section-wise breakdown & qualification status.

What Educators Say

Trusted by leading engineering colleges across India

"BharatBuild has transformed how our students approach final year projects. The auto-generated documentation saves weeks of effort, and the quality matches IEEE standards perfectly."

DR **Dr. Rajesh Kumar**
HOD, Computer Science - VIT Vellore

"The campus drive module streamlined our placement process completely. We conducted assessments for 500+ students seamlessly with instant results. Highly recommended!"

PS **Prof. Sunita Sharma**
T&P Officer - SRM University

"Finally, an AI tool that understands Indian academic requirements. The Rs.99/student pricing makes it accessible for all our students, unlike expensive foreign tools."

AM **Dr. Arun Menon**
Principal - JNTU Hyderabad

"Our students love the viva preparation feature. The AI generates 50+ questions specific to their project, helping them confidently face external examiners."

PK **Prof. Kavitha Pillai**
CS Faculty - Anna University
